Pakistan's Leading Glass Tubing Company

## ***CURRENT PERFORMANCE***

- ❖ During the year 2024, the company achieved reasonable profits Rs.145 Million.
- ❖ Plant is running at optimum capacity utilization, Alhamdulillah.
- ❖ By the grace of Almighty Allah, the Company has captured 70% business of Chinese glass tube market.
- ❖ As regards the European glass tube market in Pakistan, almost **15-20%** market share being served by GGGL and our target is to cover more than **50%** in next 1-2 years.

# VALUE ADDITION BUSINESS

- ❖ The company is performing very well in Value Addition Business by Manufacturing of **Ampoules and Vials** from in house Glass Tubes.
- ❖ There are **16 Ampoules machines**, blend of European, Indian machines
- ❖ In addition to above there are **5 Vials manufacturing** machines.
- ❖ Our **Ampoules manufacturing** is also increasing tremendously.
- ❖ Production capacity of Ampoules is up to **40 Million** plus per month Alhamdulillah.
- ❖ The company has successfully converted most of the high end **National companies and MNCs** across Pakistan on GGGL tubing who were using only from high cost European tubing.
- ❖ We are actively working with other companies and also pursuing them to **switch to our glass tubing**.
- ❖ Negotiation are under way with tube consumers in other countries like **MENA region, Latin America ,South Asia, and other African countries**.

# ***FUTURE OUTLOOK GLOBAL PRESENCE/ OVERSEAS BUSINESS***

Six High tech Ampoules Machines are being acquired from **Europe**. This will add value and contribute in profit margins as glass tube of GGGL due to increase in production capacities of ampoules from 40 million ampoules to 55 million plus ampoules monthly.
