DIRECTORS' REVIEW

DEAR SHAREHOLDERS,

Assalam-o-Alaikum Wa RehmatUllah Wa Barakatoh

The Directors of your Company are pleased to present the unaudited reviewed condensed interim financial statements of the Company for the half year ended December 31, 2025, along with the review report of the Auditors thereon, in compliance with the requirements of the Companies Act, 2017.

FINANCIAL PERFORMANCE

During March 2025, the entire Calcium Carbide Project, including all assets, liabilities, and properties were transferred from Ghani Chemical Industries Limited (an associated company) to your Company in compliance with the sanction of the demerger/merger scheme by the Honorable Lahore High Court vide its order dated February 20, 2025, in C.O. No. 65259 of 2024.

After the successful commissioning of the first-of-its-kind project in Pakistan under the supervision of Chinese and European experts, your Company formally commenced the production process of the import-substitute Calcium Carbide (and its related products) during the last week of December 2025. This milestone marks a significant step towards strengthening the country's indigenous market. The project has been built to modern technological standards and shall meet both domestic and export market demands for Calcium Carbide (and its related products), which are key inputs in various industrial processes.

During the period under review, there were no sales recorded due to ongoing trial production and product validation with prospect customers. A comparison of the key financial results of your Company for the half year ended December 31, 2025, with the same period of last year is as follows:

Particulars	December 31 2025	December 31 2024
	(Rupees)	(Rupees)
Gross Sales	-	-
Sales - net	-	-
Gross profit	-	-
Administrative & general expenses	4,676,224	210,852
Other Income	467,912	-
Operating Loss	4,208,312	210,852
Finance Cost	458,090	-
Share of profit from associated Company	150,074,085	-
Profit after taxation	145,407,683	210,852
Earnings / Loss per share	0.581	4.217

Subsequent to the reporting date, after meeting the applicable safety and custody requirements under the Explosives regulatory framework, the Company initiated dispatch processes on receipt of customer orders.

FUTURE PROSPECTS:

In addition to local sales, the Company is also exploring export markets in the Middle East and other countries.

Your Company is also actively setting up a Precipitated Calcium Carbonate (PCC) manufacturing plant. This would be another innovative product with primary applications in the paints, paper, and rubber industries.

ACKNOWLEDGEMENTS

Indeed, all growth in the Company's business would not have been possible without the Will and Blessings of ALMIGHTY ALLAH. The Board of Directors wishes to express its gratitude to valued shareholders, banks and financial institutions, and suppliers for their continued support, cooperation, and patronage. We also wish to place on record the dedication, hard work, and diligence of the Company's executives, staff, and workers.

**INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF GHANI CHEMWORLD LIMITED
REPORT ON REVIEW OF INTERIM FINANCIAL STATEMENTS**

Introduction

We have reviewed the accompanying condensed interim statement of financial position of **Ghani ChemWorld Limited ("the Company")** as at **December 31, 2025** and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity and condensed interim statement of cash flows, and notes to the condensed interim financial statements for the half year ended (here-in-after referred to as the "condensed interim financial statements"). Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with approved accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with approved accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Other Matters

The figures of the condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity and condensed interim statement of cash flows for the quarter ended 31 December 2025 and 31 December 2024 have not been reviewed, as we are required to review only the cumulative figures for the half-year ended 31 December 2025.

The comparative information for the condensed interim statement of profit or loss and other comprehensive income, the condensed interim statement of changes in equity and the condensed interim statement of cash flows, and related notes, for the half year ended 31 December 2024 were not audited or reviewed, as the Company became listed on the Pakistan Stock Exchange on 24 April 2025.

The engagement partner on the review resulting in this independent auditor's review report is Bushra Sana.

Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognized prospectively commencing from the period of revision.

FAIR VALUE OF FINANCIAL ASSETS AND FINANCIAL LIABILITIES

Fair value is the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date. Given below is the analysis of financial instruments, carried at fair value, by valuation method. The different levels have been defined as follows:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities [Level 1].
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) [Level 2].
